### The Relentless Detective

Opposite Elena stands Detective **Marcus Vale**, a seasoned officer with a reputation for cracking cases that others deem impossible. Marcus is relentless, but his methods are always grounded in justice. He's not just chasing a thief; he's trying to understand why Elena chooses her path and whether he can change it.

- Javier Torres – Elena's former partner, now a rival, whose motives are ambiguous.
- Mayor Evelyn Grant – The political figure whose corruption becomes the catalyst for many of Elena's heists.
