What Is Pyrex Vision?

Pyrex Vision is a streetwear label that emerged from the vibrant Los Angeles underground scene in the early 2010s. Founded by the creative duo known as **Jax and K**, the brand quickly gained notoriety for its unapologetic aesthetic, provocative imagery, and a commitment to challenging societal norms. Unlike many mainstream labels, Pyrex Vision does not simply produce apparel; it delivers a cultural statement that resonates with a generation that values authenticity over conformity.

Origins of the Name

The name **Pyrex Vision** is a clever play on words.
