Plot Summary

At the center of the story is **Lisa Frank**, a 14 year old girl who has just moved into a new school after her father’s death. Lisa is shy, awkward, and constantly on the receiving end of ridicule. Her classmates—particularly the popular clique led by the domineering **Jill**—make her life a living nightmare. The film chronicles Lisa’s attempts to navigate the treacherous waters of adolescence while dealing with the loss of her father and a strained relationship with her mother.
